The Honorable Kay Granger
Ranking Member
Appropriations Committee
Longworth House Office Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Health Facilities Construction and Equipment: Substance Use Disorder Treatment Facility in fiscal year 2022.

The entity to receive funding for this project is Stepping Stones, Inc., located at 1114 North Larkin Avenue, Joliet, IL 60435.

The funding would be used for the construction of an 8-unit recovery based safe housing for women and their children. Safe housing is generally not available in Joliet and the surrounding area. This is the site of their existing residential treatment services and some outpatient services

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Bill Foster
Member of Congress
